### AUDISON PROFESSIONAL INSTALLATION EXTENDED WARRANTY CONDITIONS

The Audison Professional Installation Extended Warranty applies to genuine Audison Car Audio products that have been distributed by TDJ Australia Pty Ltd. Models sourced from overseas markets are not covered by this extended warranty offer.

Additionally, the following conditions must be met:

- Audison Car Audio products must be supplied and fitted by an authorised Australian Audison dealer.
- When making a warranty claim, a copy of the original vehicle invoice (with purchase date and warranty period) must be provided with this Audison Extended Warranty Form, at time of warranty claim.

The Authorised Audison Dealer who supplied and installed the product will offer you a replacement, credit or refund where your product purchased has a major failure within the warranty period, such as; when it has a major fault; wrongly described; different from the sample shown to you or does not do what it is supposed to do.

The Authorised Audison Australia Dealer may not warrant your product and/or accessories purchase if:

- There is no major fault found.
- The warranty period has expired.
- The product and/or accessories have been used for a purpose or application for which it is not recommended in the Product Manual.
- The product and/or accessories have been physically damaged, misused or abused.
- The customer has changed their mind.

TDJ Australia Pty Ltd will need to assess the product and/or accessories before determining any warranty claim. High quality testing equipment and fully trained technicians will carry out testing procedures and make the assessment. To make a claim on the warranty, please contact the dealer that supplied and installed the Audison product to the vehicle. Alternatively, you can contact our service department via phone (03) 8587 8889 or email [service@tdj.com.au](mailto:service@tdj.com.au) to troubleshoot the potential issue.

Please note any expenses relating to the return of your product will normally have to be paid by the consumer.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any unforeseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to major failure.

The benefits to the consumer given by this warranty are in addition to other rights and remedies of the consumer under Australian law in relation to the goods or services to which this warranty relates.
